PRAYER TO OBTAIN FAVOURS

**INVOKING THE NAME OF
MSGR. HERCULANO GONSALVES
(For private circulation)**

***“Do not get discouraged before crosses.
Trust in God”.***

Heavenly Father, like your Son Jesus, your humble priest, Fr. Herculano's heart was drawn in compassionate love to the needy especially children and women in distress. Inspired by the Holy Spirit, he reached out and wiped the tears of the suffering. His simple teaching was, not to get discouraged before crosses, but to trust in God and call out to the Blessed Virgin Mary with childlike confidence. Filled with the same confidence, I come before you with faith and trust. Through the intercession of Fr. Herculano, grant me the favour I now implore.

(Mention your request)

Our Father....

Hail Mary....

Glory be....

Msgr. Herculano Gonsalves

Msgr. Herculano Gonsalves was born on 11th February 1868 in Cana-Benaulim, He became a priest and lived a holy life following in the footsteps of Jesus, the Good Shepherd. His heart was filled with the love of God. He was humble, charitable, and self-sacrificing. Like a pelican he 'died to self' and gave himself to the poor, the orphans, the sick and suffering, particularly children and women in distress were very close to his heart.

All his life, Msgr. Herculano Gonsalves lived in humility, died in humility and became a model of humble service in the Church. He completed his earthly journey on 21st March, 1950. His mortal remains are preserved in the monument at St. Alex Convent, Calangute. People praying through the intercession of Fr. Herculano, claim that their prayers have been answered. The sick have experienced healing and childless couples are blessed with the gift of a child. He is a ray of hope to those in distress. May this virtuous Goan priest who lived all for God, only for God and always for God in the service of his people, one day be officially raised as a Saint on the Altar.
